Welcome

Ways to Connect

Call to Worship:

People of God,
We come to worship, reminded that this day is gift,
and all that we have is from God.

We come to explore what it means to be followers of Christ.

We come to collaborate with others to bring this world closer to the image that Jesus portrays.

We come to love and support one another so that everyone can be connected in meaningful relationships.

We come to make our world a better place, knowing that we can't do it on our own;

So we pray for the Holy Spirit to guide us on this journey together.

Sermon Series: PEACE IS

This series will focus on the Peace vision statement:

Peace will be known as a community of people who explore together what it means to be followers of Christ as individuals, families and the church in today's world. We will be a destination in our community for members and non-members alike, and a sought-after partner because of our successful collaboration with other organizations to bring this world closer to the image that Jesus portrays. Most importantly, every individual who enters our doors or is touched by our ministries will feel loved, supported and connected to others in meaningful relationships.
