Ways To Connect

Opening Confession:

Leader: God we gather to remind ourselves to be open to your calling. However, we also confess that many times we are not listening.

All: We often don't hear others when they cry out for justice. Sometimes we ignore our neighbors in need. We don't listen for your voice calling us to welcome the stranger. We don't hear your voice in the depths of our own hearts inviting us to love and to forgive.

Leader: The Word is very near to us, in our hearts and on our lips. In Christ, we are forgiven; our lives are made new, and our future of hope is restored.

All: Thanks be to God! Amen.

Sermon Series: THE STORIES WE LIVE

This 7 week sermon series is based on the book "The Stories We Live" by Kathleen A. Cahalan. Cahalan uses prepositions to explore vocation as a relationship between our lives and God's purposes. I am called by God, to follow, as I am, from grief, for service, in suffering, through others. Each of these prepositions reveals a different dimension of our callings.
